Lesson 6
In Review

Lesson Objectives

After completing this lesson, you will have:

- Reviewed the elements of the NSPS performance management system.
- Addressed the remaining questions that are important for success.
- Identified resources that can help in addressing future concerns, fears, or issues.

Review

Rumor Mill Revisited

The rumors of NSPS's death have been greatly exaggerated.

DISCUSSION

Open Questions

Resources

- NSPS website: http://www.cpms.osd.mil/nsps/
- Your Component NSPS program office
- Your assigned human resources personnel

Post-Course Learning Benchmark

- The benchmark assesses your level of knowledge about NSPS performance management for supervisors and managers.
- Your answers will be compared to your pre-course answers to determine course effectiveness.
- Refer to the Post-Course Learning Benchmark at back of this lesson in the Participant Guide.

Course Evaluation

- A course evaluation is in the Participant Guide.
  - Complete it and turn it in today.
  - Provide an honest assessment of course materials and your facilitator.
- Evaluation provides feedback on course effectiveness.

Thank you for your participation!
